RYAN BOMBERGER TO SPEAK AT PRO-LIFE DINNER FRIDAY

Ryan Bomberger, co-founder of The Radiance Foundation, has a rather unique perspective of the innate nature of Purpose. His biological mother was raped yet courageously chose to continue the pregnancy, giving him Life. He was adopted as a baby and grew up in a loving, multi-racial Christian family of 15. With siblings of varying ethnicities, he grew up with a great appreciation for diversity. Ten of the thirteen children were adopted in this remarkable family. His life defies the myth of the "unwanted" child as he was adopted, loved and has flourished.

Ryan is an Emmy® Award-winning Creative Professional who has made an unexpected impact in the pro-life movement with the bold TooManyAborted.com billboard/web campaign. The initiative caused a media frenzy with massive coverage from The New York Times, USA Today, CNN, MSNBC, Fox News, etc., and seemingly the entire blogosphere. The extensive media attention enabled Ryan's personal story of adoption, to reach millions. He is involved in national efforts to expose Planned Parenthood and defund the killing machine.

West Virginians for Life President Dr. Wanda Franz will address the crowd as well as National Right to Life Political Director Karen Cross. A Silent Auction, including an autographed WVU Men's basketball, will also be a highlight.

The reception at Lakeview Golf Resort and Spa in Morgantown begins at 6:00 p.m. and the dinner promptly at 7:00 p.m. Fish will be an option for those concerned about the menu.
